

THE GOOD OIL

August social night

Wednesday, 7th August.

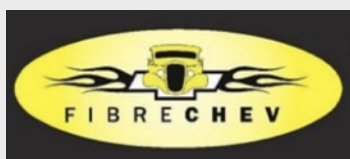

We will be visiting two workshops: Fibre Chev and Rat Race Garage. Both these workshops in Bullivant Street are small but very interesting.

Meet at Apex Park Wangaratta at 7:00pm, Depart 7:15.

Before leaving Apex Park we will divide into two groups.

Each tour is estimated to take around one hour.

For more information call John Bell on 0400 863 334.

Level 1 Rallysprint

We made the difficult decision to postpone this event from August 3rd, as regulations were slow in returning from Motorsport Australia.

Keep an eye out for a revised date.

Xeno North Eastern Rallysprint

We're all gearing up for this weekend's Xeno Cad Innovations North Eastern Rallysprint, under the direction of Luke Whitten.

It's great to see committee member Ged Blum get behind the event with sponsorship from his business.

A full-field of 30 cars will tackle the two stages in the Moyhu Forest, with dozens of club members helping out on the day to ensure the event runs smoothly. Based at the Moyhu Recreation Reserve, it promises to be a fantastic event, and we wish all competitors the best of luck – especially those NECC members who are competing.

Spectator and entry details are available on the NECC website at: www.northeasterncarclub.com.au/north-eastern-rally

This month's Good Oil is smaller and earlier than usual as the Editor will be away next week.

ROBERTSON'S PHARMACY

The next round of the Khanacross Series will be held on Sunday, August 18 at the Carboor Recreation Reserve.

See you all there!
